Greetings!

The Grace Nursing & Health Sciences Institute (GNHSI) was established on 17th October in the year 2022 with the motto to prepare and mould the nursing students in providing "Comfort with Care" to the individuals, families and communities to maintain optimal health and quality of life endowed with the qualities of love, courage and mercy which are the hallmark of the Nurse.

Our goals are not only to make the students successful in life but also to make them aware of their duties and responsibilities of the current complexities of health management as well as preventive, promotional and rehabilitation healthcare.

At the end of the programme our students are well equipped with knowledge and skills to pursue a career in Nursing. It is with this vision that the Grace Nursing and Health Sciences Institute was established.

I warmly welcome you to this Institute where your dreams will come true. We have exemplary vision of taking this Institution to greater heights. Happy Learning and stay blessed.

Regards

Dr. Jairus S. Thonger

Managing Director

GNHSI

Dear Aspirants,

It is a pleasure for me to introduce The Grace Nursing and Health Sciences Institute Prospectus. This prospectus reflects the program and strength of our Institute. Our Institute was established as a Center of Excellence for nursing education through quality approach and professional development.

Nursing is a noble profession and nurses are committed to love and care for people. Through this profession it touches the heart of the sick and suffering. Hence, academic excellence is not just sufficient to meet the needs of the time. We have to go beyond that to treat people as persons, to help them to achieve great heights and to make them good citizens of tomorrow.

I am glad that our Institute is focusing on the wholesome development of the student's personality by inculcating values and by paying equal attention to the development of the body, mind and spirit.

We give attention to the student and emphasize on etiquettes to maintain high degree of discipline and adhering to the code of ethics and professional conduct at all times in fulfilling their duties.

Our Institute together with its parent & affiliated hospitals aim to prepare professionally qualified nurses to meet the health needs of the people. I extend my hearty welcome to all the aspirants who desire to choose nursing as their career. My best wishes for a bright future ahead.

Be Proud to be Nurse, Serve the humanity!

Ms. Watikumla Amlari

Principal

GNHSI

The Nursing Profession is the Noblest of all professions and in immense demand globally, offering a highly rewarding career. As the Vice Principal, I am delighted to introduce you to our esteemed institution, Grace Nursing and Health Sciences Institute, renowned for its commitment to excellence in nursing education and fostering the next generation of healthcare professionals. At Grace Nursing and Health Sciences Institute, our mission is to provide a comprehensive educational experience that not only equips students with the necessary skills and knowledge but also instils in them the values of compassion, integrity, and professionalism.

Ensuring that our students receive a comprehensive and cutting edge education, our dedicated faculty members bring a wealth of experience and expertise to the classroom, ensuring that our students receive the highest quality education. Through innovative teaching methods, hands-on clinical experiences, and opportunities for research and professional development, we strive to empower our students to become leaders in the field of nursing.

I invite you to embark on this journey with us and discover the endless possibilities that await you at Grace Nursing and Health Sciences Institute. We look forward to welcoming you into our family and supporting you in your pursuit of a rewarding career in nursing.

Ms. Christina Yanthan

Vice Principal
GNHSI

OVERVIEW OF THE PROGRAMME

The Grace Nursing and Health Sciences Institute follows the syllabus laid down by the Indian Nursing Council (INC) syllabus which was revised in 2015. This nursing programme is based on education within an academic framework specifically directed to the development of critical thinking skills, competencies and standards required for practice of professional nursing.

The Nursing curriculum allows students to take part in rural and urban health camps, educational field visits etc. Clinical courses offered in both hospital settings and the community provide students with the opportunity to apply theoretical knowledge to practice.

GRACE NURSING & HEALTH SCIENCES INSTITUTE

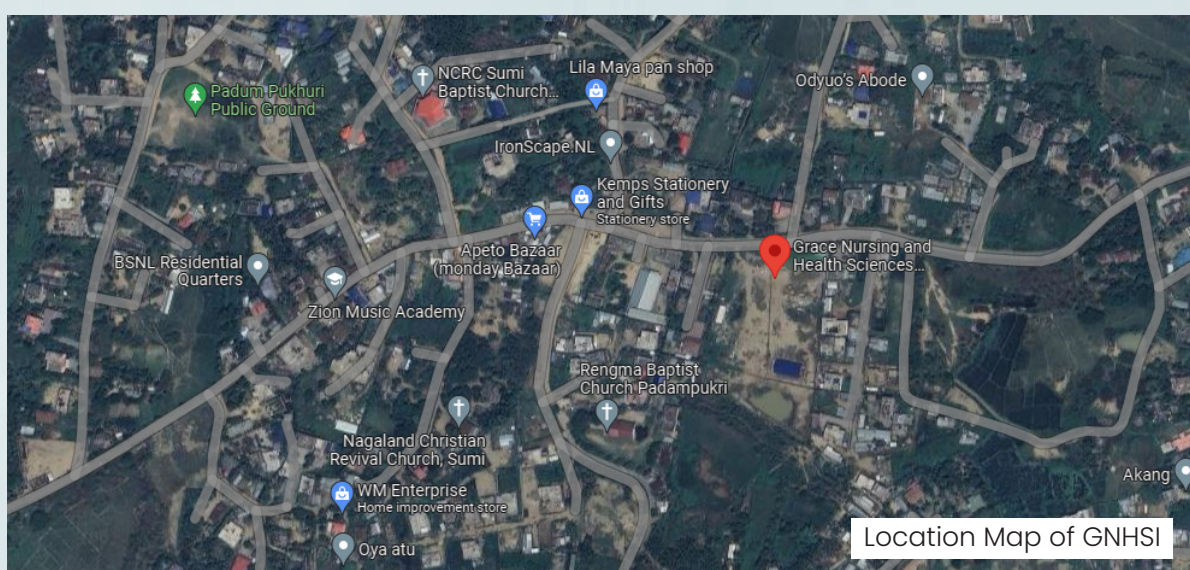

ABOUT US

Grace Nursing and Health Sciences Institute is located at Padum Pukhuri village, Dimapur Nagaland. It was established on 17th October 2022 with Diploma in General Nursing & Midwifery course for 3 years duration with the intake of fifty (50) numbers of students per annum.

This Institute is approved by Government of Nagaland, Recognized by the Indian Nursing Council and Affiliated to Nagaland Nursing Council.

We have qualified; meritorious and well experienced faculty along with best physical infrastructure facilities, class rooms & well equipped and practice laboratories which transform learning into hands on experience.

OUR VISION & MISSION:

Our vision is to provide comfort with care and to provide knowledge skill based nursing training for all-round development as an individual and a Nursing professional, capable of providing quality care service in different health care setting and do innovative and pioneering work in the field of Nursing practice and education.

Our mission is to achieve our objectives and create a center of excellence in the field of Nursing education and patient care so as to impart quality education and to sustain an institute of learning in which students acquire knowledge, skills & successfully learn to apply it professionally.

OBJECTIVES :

1. To produce knowledgeable competent nurses and midwives with clear thinking skills who are caring, motivated, assertive and well-disciplined.
2. To prepare them as responsible individuals in providing promotive, preventive, curative and rehabilitative healthcare services in any healthcare setting.
3. To prepare them for making independent decisions within the scope of practice, protect the rights of individuals and groups and conduct research in areas of nursing practice and apply evidence- based practice.
